Expansion of Creative Crosswalk Policy		\$100,000	
TOTAL	3	\$8,200,000	\$7,600,000

*These costs are expected to increase each year

Staff seek direction from the Commission on the details for the recommendations below:

Implement Leading Pedestrian Intervals (LPI) Citywide

Details: The ATC requests the City complete a study of citywide implementation of Leading Pedestrian Intervals (LPIs) to improve safety for people walking at intersections.

Implement No Right Turn on Red Citywide

Details: The ATC requests the City complete a study of citywide implementation of No Right Turn on Red to improve safety for people walking, biking, and rolling at intersections.

Expansion of Creative Crosswalk Policy

Details: ATC requests the City expand the current Creative Crosswalk Policy

This item is for the Commission to review and provide direction on the draft 2025 Active Transportation Commission Annual Report.

Policy Considerations: The recommendations are aligned with the following City Code:

2.100.030 Powers and duties of commission.

- G. Annually, report to and make recommendations to the mayor and council regarding the status of walking and bicycling in the city and activities of the commission.

Economic Impacts: Not applicable.

Environmental Considerations:

California Environmental Quality Act (CEQA): This action is not a project that is subject to CEQA because it is an organizational or administrative activity that will not result in direct or indirect physical changes in the environment. (CEQA Guidelines §15378(b)(5)).

Sustainability: The report and discussion are consistent with the City of Sacramento Climate Action Plan Mobility Element by focusing on improving transportation infrastructure and encouraging walking and bicycling.

Commission/Committee Action: At the August 21, 2025, meeting, the Commission discussed the previous year's report and steps forward for the 2025 Annual Report. Commissioners agreed to bring their ideas and recommendations to the next Commission meeting.

At the September 21, 2025, meeting, the Commission discussed the report recommendations, in addition to revising sections of the report including the message from the chair and introduction to the recommendations.

Rationale for Recommendation: So that advisory bodies may effectively incorporate their important role, voice, and work to provide thoughtful community recommendations to the City Council on a consistent basis, the P&PE Committee shall facilitate the process for advisory bodies to communicate their accomplishments, projects, priorities, and recommendations to the city council.

Financial Considerations: The action requested is to discuss and provide feedback on the Commission's annual report and does not obligate the use of any funding.

Local Business Enterprise (LBE): Not applicable.

Background: Chapter 17 of the Council Rules of Procedure states that each city advisory body shall provide an annual report for review by the Personnel and Public Employees Committee (P&PE). At a minimum, reports should include the following:

- Highlights and accomplishments from the previous year's work;
- Proposed projects, priorities, and recommendations for the upcoming year including resources required and information on feasibility; and
- Any other information required of the advisory body according to the Sacramento City Code.

Sustainability: The report and discussion are consistent with the City of Sacramento Climate Action Plan Mobility Element by focusing on improving transportation infrastructure and encouraging walking and bicycling.
